IEG PI NOTICE

No. 7 - 75

TITLE/SIGNIFICANCE: Efforts to conceal SS-X-16 related activity have in themselves become an SS-X-16 mobile ICBM signature.

COMMENT: The canvas/net covered MAZ-543's at Plesetsk Missile & Space Test Center shown below are probably associated with SS-X-16 mobile deployment. They were identified in a clearing and can give an appearance somewhat similar to haystacks. Look for a split cab at the front end of the vehicles.
